TOWN OF HUMBOLDT NEWSLETTER June 18, 2018

As summer gets into full swing, we are asking all Town residents to "adopt a highway" or at least part of a highway. Grass cutting of the Town ditches will begin soon, so any help would be appreciated in making that task easier. The Town staff ask that you pick up and dispose of any refuse found in the ditches near your homes. If necessary contact a board member for disposal info.

Upcoming election dates:

August 14, 2018 – partisan primary

November 6, 2018 – general election

WELCOME BACK TO THE HUMBOLDT COMMUNITY

LIBRARY! Thanks to John Zimonick for the structure and signage. Feel free to drop of new books and/or exchange books that are already there. It is located on the north side of the Town Hall.

The Town Board is going to be looking into erecting playground equipment at the Community Center. Due to cost of quality and safe equipment, if anyone out there that would like to donate to this, it would be appreciated.

Contact one of the Board members for more information and/or with donations.

If anyone would like to receive this newsletter by email, please contact Judy Baierl at baierl05@centurytel.net (that is an ell, not a one, in my email)
