Recycle Center Updates

We continue to encourage all residents to recycle, as through our program with Brown County, we have received, most recently, \$77/ton for our single stream recyclables! This offsets our costs by 50-100%, that we pay to Brown County Port & Resource Recovery. The large amount of recycling also helps increase our recycling grant from the state. The Town doubled our recycling tonnage in 2021! KEEP UP the GOOD WORK!

Reminder that our hours of operation are from 9 am-1 pm

Upcoming Elections: August 9- primary and November 8 – general

Reminder: if you are new to the Town and need to register on election day, please bring a photo ID and document of proof of residency. As always, everyone must bring a photo ID with them to vote. Anyone needing to vote absentee, please contact the Clerk for an appointment. (920-863-3370)

I will have several in-person absentee voting dates for the November election and will post those in September.
