Looking for a new coordinator for the Humboldt area rummage sale.

Hey Rummage Salers!

Just wanted to give you a heads up, it's been a fun ride ~ but Alison and I are just letting you know that we are passing the rummage sale on. Last year was our last year of organizing it! Hopefully this gives you all enough time for someone to step up and take on the challenge!!

We hope the Sugarbush sales can continue on! We still want to be included in having a sale. One thing we strongly suggest - you need to plan the sale early in the season. We always try to be the first of the season so the customers are itching to start and willing to travel to our area.

You never know about the weather, but if you hold the sale any time after the very beginning, we can never compete with any of the neighborhood sales in Green Bay (people won't make the drive). Plus the fact that we think we've established the early week as "The Sugarbush Sales" and the customers know we kick off the season!

Thanks to all of you that have appreciated us over the years - we worked hard to make it a great sale for everyone!

As the winter approaches, we once again have to remind everyone – NO pushing snow across the road and leaving a berm or pile on the road edge. This is a hazard to the snow plow drivers and other safety vehicles as well as regular vehicles. If we need to address this issue, you may be receiving a citation if a repeat offender!

After this next 2 year term, the Town will be looking for a new treasurer as Jeanne has indicated she would like to step down. Anyone with a bookkeeping background, knowledge of excel,

Quickbooks, is detailed oriented and looking for a very parttime job, contact Jeanne or Judy. We will train you before you officially start. Hours are flexible with one 1-2 meetings/month. We have a great board to work with and if you want to help keep our Town running efficiently, this might be the job for you!
