

# TOWN OF HUMBOLDT NEWSLETTER

September 5, 2023

\*\*\*\*\*

## Recycle Center INFO

**We ask that ALL residents utilize composting as a means of disposing of their grass clippings and garden waste. Recently it was brought to the Board's attention that yard waste is being bagged and dropped in the compacter. This is unacceptable! We pay by the tonnage and this greatly increases our costs. If you need information on composting, there will be flyers at the drop off site.**

## New Franken Fire and Rescue Updates!

The Fire Department Run Walk will be held on September 23, 2023. Check in and registration starts at 7:30 with Run starting at 8:00 am. All proceeds to benefit the New Franken Fire Department.

.....

The new Playground equipment is up and available to use. Come out with the kids or grandkids and try it out. Also BIG thank you to all of our donors as they have helped make this project possible. Stop in to the Town Hall to see the placque listing those donors.

## CULVERTS/DRIVEWAYS

We have updated our driveway/culvert permit at this time. See Ordinance, Chapter 16, section 6.2, 6.2.1, 6.2.2, and 6.2.3 for regulations. Contact a Town board member to obtain this permit – there is now a \$50 charge for each permit.

.....

Right of Way Ordinance Application/Permit is now available on line. If you plan on doing any work in the Town right of way on a Town Road, this permit must be obtained. Proposed work includes utility, boring, trenching, construction, tunneling as well as other types of work. Please review the application prior to beginning any work.

## CHAPTER 32: RESTRICTING USE & OBSTRUCTION OF TOWN ROAD RIGHT OF WAY DITCHES AND EMBANKMENTS

This ordinance regulates and limits the altering of ditches and the right of way on Town Roads in Humboldt. It also addresses depositing rubbish or yard wastes in any ditch, drain water discharge and structure or construction in the right of way.

This ordinance can be found on the website – [townofhumboldt.com](http://townofhumboldt.com), so please review.

### Backyard Composting
