

**28th ANNUAL
SUGARBUSH / HUMBOLDT
RUMMAGE SALE**

This year the rummage sale is planned for:

Thursday, April 4th, 2023

Friday, April 5th, 2023

Saturday, April 6th, 2023

Fee: \$15 per house

This covers all supplies (advertising, paper, copying, markers, signs, etc.)

Last year we discovered how generous Alison and Lisa were to this annual rummage sale in the past years. They had been putting in their own money to make this annual sale happen for everyone. So with that being said we are raising the fee from \$13 to \$15 per house. This \$2 increase will not cover the amount of paper packets that were given out in the past years; we will be emailing you a PDF of all the forms for you to make your own copies. If you do not have a printer or any way of getting paper copies please reach out to us and we will accommodate you. We will continue to provide copies to the local gas stations & flyers to local businesses, however when they are out we will not be replenishing due to lack of funds. We will continue with providing the bright colored number sign for display that corresponds with your number on the maps. We will also continue with having Thursdays be a part of the sale and we will be distributing your house signs again. If you are not interested in participating on Thursdays this is fine just indicate on the form what days you would like to have your sale.

If you are interested in participating in this year's sale we need to have this enclosed form with your address indicated on the map returned to us with your \$15 fee **before** March 13th. You can pay by check or Venmo if you need a different payment option please reach out to us. Any forms received after March 13th will **not** be included as we will need this time to prepare the signs and complete printing & advertising. We are planning to have your house signs delivered starting March 22nd.

If you know anyone interested in joining in on the rummage sale this year please forward this information to them or have them contact us. If you have any questions, please do not hesitate to email us at shrummagesales@gmail.com
